Dear Mr. Shumway:

On May 2, 1991 Sal Venticinqué, our staff geologist, accompanied by you and Holland Shepherd of the Utah State Division of Oil, Gas and Mining (DOG&M), made a closeout field inspection of surface reclamation done under this mining notice. Reclamation has been satisfactorily performed. Therefore, W. K. Enterprise is released by the BLM from further reclamation responsibilities under 068-N86-07, and the BLM case file is closed.

Should you have questions please contact Sal Venticinqué of my staff at (801) 259-8193.

Sincerely yours,

Area Manager
